

Universidad Nacional de La Plata
Facultad de Humanidades y Ciencias de la Educación
Interpretación en Inglés
Prof. Gabriela Yañez

Instructions:

- 1) Read the file on types of memory.
- 2) Practise verbalizing the images in the file attached **IN BOTH LANGUAGES**. You will most probably have to search the specific terminology for each subject in English.
- 3) Watch the video and read the article on the crisis in Ukraine. Check all the terms you don't know in your dictionaries for next class.
